AUTHORIZATION AND RELEASE FOR
USE OF PHOTOGRAPHS

The undersigned, (please print) _____, is a patient of (please print) _____, M.D., ("the treating physician") and has been or will be photographed during the course of treatment. The undersigned grants to the treating physician and to the American Academy of Facial Plastic and Reconstructive Surgery and to the Educational and Research Foundation for the American Academy of Facial Plastic and Reconstructive Surgery the on-going and unrestricted right to use those photographs for general information, education, scientific, medical and public relations purposes and to permit others to use them for those purposes. The undersigned also authorizes the treating physician and the American Academy of Facial Plastic and Reconstructive Surgery and to the Educational and Research Foundation for the American Academy of Facial Plastic and Reconstructive Surgery the use and display of said photographs in any publication, multimedia production, display, advertisement, World-Wide Web Broadcast, or World-Wide Web Publication

The undersigned further acknowledges that he/she relinquishes all right, title, and interest in these photographs, or any right to profit or gain directly or indirectly realized through the use of the photographs. The persons to whom disclosure may be made include physicians, medical students, patients and prospective patients, examining boards, medical and other periodicals, medical editors, insurers (if any), outside firms, the staff of the Academy and the Foundation, readers of medical literature and the general public. The undersigned releases the American Academy of Facial Plastic and Reconstructive Surgery and the Educational and Research Foundation of the American Academy of Facial Plastic and Reconstructive Surgery and their officers, directors, employees and members from any liability of any kind whatsoever arising out of or relating to use of the photographs.

This authorization may only be revoked in writing, signed by the undersigned and delivered to the physician and to the American Academy of Facial Plastic and Reconstructive Surgery at its office in Alexandria, Virginia. Such revocation shall thereafter be effective as to any further use not already committed to by the physician or the Academy or the Educational and Research Foundation. Unless earlier revoked, this authorization will expire on the end of the treating physician's practice of facial and reconstructive surgery, except there will be no expiration for the purpose of medical or scientific research. Revocation will not affect uses and disclosures made before receipt of the revocation. If the photographs are disclosed, there is obviously potential for re-disclosure some of which would not be subject to this authorization. Photographs, as used in this document, include digital images. This authorization includes uses on the Internet and websites. This authorization is in consideration of services performed and consultations conducted or to be performed or conducted by the physician, and there have been no representations or inducements concerning this authorization except as set forth herein. The treating physician will not condition treatment on whether the individual signs this authorization, but, if any portion of the treating physician's services is to be covered under any insurance or third-party-payment plan, the signing individual will be responsible for authorizing release as required by that insurance or third-party-payment plan.
